Введение

Рабочая программа дисциплины «Иностранный язык» составлена в соответствии с требованиями к результатам, условиям и структуре подготовки бакалавра по циклу общих гуманитарных и социально-экономических дисциплин Федерального государственного образовательного стандарта высшего образования по направлению подготовки 15.03.06 Мехатроника и робототехника.

Данная программа призвана обеспечить единство образовательного пространства на территории Российской Федерации в рамках первой ступени высшего образования (уровень бакалавриата).

Основной **целью** курса является повышение исходного уровня владения английским языком, достигнутого на предыдущей ступени образования (в рамках средней общеобразовательной школы), и овладение студентами необходимым и достаточным уровнем коммуникативной компетенции для решения социально-коммуникативных задач в бытовой, социально-культурной, учебно-познавательной, профессионально-деловой сферах общения.

Задачами освоения дисциплины являются:

1. Систематизация знаний и совершенствование умений и навыков во всех видах речевой деятельности (чтение, аудирование, говорение, письмо).

1.1. Коррекция произносительных навыков.

1.2. Совершенствование умений и навыков диалогической и монологической речи в ситуациях повседневного и профессионального общения с учетом требований речевого этикета.

1.3. Систематизация грамматических навыков.

1.4. Расширение лексического запаса бытовой, социально-культурной, учебно-познавательной, профессионально-деловой тематики (на основе словообразовательных моделей).

1.5. Развитие умений и навыков чтения различных видов (ознакомительное, просмотровое и изучающее).

1.6. Развитие навыков работы со словарями, в том числе – электронными.

1.7. Формирование основных навыков письменного перевода.

1.8. Развитие навыков межкультурной коммуникации (речевой этикет, роль английского языка в мире, культура и традиции стран изучаемого языка).

2. Развитие способности толерантно воспринимать культурные различия, уважать духовные ценности разных стран и народов.

3. Формирование навыков информационной культуры, умений искать, отбирать и критически оценивать информацию, полученную из иноязычных источников.

4. Развитие способности к самообразованию в области иностранного языка.
